

## President's Message

The quest for knowledge and the sharing of wisdom. The comfort of friends and the camaraderie of colleagues. The backbone of tradition and excitement of evolution. This is what makes LAB simply amazing. There are not many places where you can find such a wonderfully diverse group of people – all with a common love – libraries!

LAB has worked behind-the-scenes to help foster connections between its members through our social media efforts and expand our organization to include new members like Eastern Florida State College Libraries. We are excited about our future and hope to achieve a more active role within the community as we partner with organizations that share our same vision. We invite you to help us “think outside the box” to create new ways to foster relationships. LAB is so much more than just a professional organization of librarians – it is a family!

Sincerely,

Kellie

Library Association of Brevard

## Notable News

At the Annual Banquet, Lisa Petrillo was nominated and voted in as Treasurer.

Congratulations, Lisa!

Also, LAB needs volunteers for an officer position on the Executive Board for 2013-2014. Before the spring general meeting in 2014, a candidate for the office of Vice President/President Elect must be found.

Please consider volunteering for this available position next year!
