

## President's Message

Greetings!

At our general meeting on April 4, 2007, we will elect a new VP/President Elect for 2007-2008. The deadline for nominating a LAB member for this position is March 30.

Candidates will be announced via the LAB-List prior to our meeting. Jenny Morrison, our current VP/President-Elect, will serve as President for the coming term. Incumbents Janice Murray and Jean Sparks have decided to run for another term as Treasurer and Secretary, respectively. Both Janice and Jean are doing excellent work in their current positions. Officers will be sworn in at the annual banquet in June 2007.

You are encouraged to play an active role in LAB: volunteer for committees, attend our events; share your ideas, and recruit new members. Your participation is essential to making LAB the dynamic and viable organization it is intended to be.

Sincerely,  
Linda S. Khan

## General Meeting

Wednesday, April 4, 2007  
6:30-8:00 PM

**UCF/BCC Joint Use  
Library – Cocoa**

**1519 Clearlake Road  
Cocoa  
242-3500**

Find driving directions at:  
[http://library.ucf.edu  
/BranchCampuses/  
Brevard/directions.asp](http://library.ucf.edu/BranchCampuses/Brevard/directions.asp)

Christal Wood of Brevard Community College and Susan O'Hara of the Florida Solar Energy Center will give tours of the UCF/BCC Joint Use Library and the Florida Solar Energy Center (FSEC) Research Library Collection.

Everyone is encouraged to attend this meeting, especially to show appreciation to the librarians who have so kindly agreed to be our hosts. Light refreshments will be served. See you there!

## Important News

Two special awards will be presented at the general meeting this month. The chosen recipient of the FLA Conference award, made possible by the R.L. Lewis raffle, will be announced. In addition, the winner of the 2007 membership drive will receive a gift certificate and a complimentary ticket to the LAB banquet.

Also at the meeting, those in attendance will receive a copy of the 2007 LAB directory, vote to elect the 2007/2008 slate of officers and vote on a change to the LAB by-laws.

## Looking Ahead...

Plans are underway for the annual banquet to be held in June. A committee was called to help select the date, place and program for the banquet, so please watch for a message via the LAB-List outlining details when they are known.
