

President's Message

Face to Face.

Face to Face networking. LAB members can communicate thru Facebook and by attending the April membership meeting and the June dinner. ☺

Bring your smiling faces to Melbourne Public Library on Wednesday, April 9, at 6:30 pm. There the friendly faces of Mauri Baumann and Lynn Bennet will give us a tour with a focus on key collections. ☺

Even with last fall's training, many of us are still not quite comfortable with Face to Facebook. On Saturday, June 21, 2008, you can feed your hungry face at Panera Bread, 275 Eau Gallie Blvd., Indian Harbour Beach. While enjoying your meal, you can sign up for Facebook, update your profile, and learn to communicate in real time. Bring your laptop or use one of the ones we will have available. ☺

LAB is looking for a few good faces. Nominees are needed for the positions of VP/President Elect and Treasurer. Please let me or one of the board members know if you are interested. Call me at 321-952-4519 or email at jmorrison@brev.org. ☺

Looking forward to seeing all your faces at the meetings and on Facebook. ☺

Jenny Morrison

General Meeting

Wednesday, April 9, 2008
6:30-8:00 PM

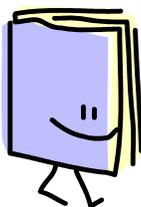

Melbourne Public Library
540 E. Fee Avenue
Melbourne
952-4514

<http://www.brev.org/locations/melbourne/index.htm>

Mauri Bauman and Lynn Bennet of Melbourne Public Library will host our spring general meeting and lead us on a tour of the Library.

Everyone is encouraged to attend this meeting to show appreciation to the librarians who so kindly agreed to be our hosts. Light refreshments will be served.

Also at the meeting, those in attendance will receive a copy of the 2008 LAB directory and vote to elect the 2008/2009 slate of officers. Candidates for office will be posted on the LABlist prior to April 9. See you there!

Important News

With the dedication of members like you, LAB has thrived for over 25 years. There are many ways to actively contribute to the organization: serve on the executive board, share programming ideas, join a committee, host a meeting, attend meetings, recruit new members, send messages to the LAB-list, join our Facebook group and continue to renew your membership each year. LAB is dependent upon your support.

Looking Ahead...

The 2008 banquet will be less formal than usual. The date is set for Saturday, June 21, and the location is Panera Bread on Eau Gallie Blvd. in Indian Harbour Beach. Our soon-to-be president, Jack Newcombe, will lead the group in a fun follow-up to the interactive Web workshop held in October. Please bring your laptop if you have one or use one provided by LAB.
