

President's Message

Spring has sprung! And with it every year comes the annual American Library Association elections. This year, there are two amendments to the ALA bylaws to be considered, as well as nominations for a new President-Elect and 34 Councilors-At-Large, one of whom is our very own LAB Vice-President/President-Elect, Janice Murray, who is on the ALA ballot for the first time, with a very impressive biography!!

In other news worthy of mention, National Library Week this year will be from April 8th-14th. And Tuesday, April 10th of that week has also been designated as National Library Workers Day, adopting as their slogan for this 10th year, "Libraries Work Because We Do!"

So as we all continue to pursue our library careers, let us not lose track of how important an impact we make on the lives of each patron or customer that walks in our doors every day. And as we approach our own annual LAB elections, let us also remember the importance of networking and communication with our colleagues from all walks of life!

-continued-

I would also like to take this opportunity to thank everyone in the executive committees and general membership of LAB for their encouragement and support this past year as your President. I look forward to continuing these friendships and relationships in the future!

Sincerely,

Fran
