LAB News

President's Message

LAB and the Friends of Central Brevard Library sponsored the presentation by Rick Smith of "A Land Remembered" multimedia tour for the Fall program. It was a wonderful opportunity to jointly work together to bring this presentation to LAB members and the public. It's not often we have the chance to work together for the folks in our community. The presentation room at the Central Brevard Library was the perfect location as approximately 140 people attended the show. Thanks to Janice Murray for organizing it all.

We had a great time at Theatre night in February for the play and dinner, even though it was one of Brevard's colder nights. "It Runs in the Family" was at the Melbourne Civic Theatre and featured our own Tori Smith. Dinner was at Island Pasta and the food was delicious.

Participating in these events and the fellowship of library people from all types and branches of the Brevard community is an opportunity that we are lucky to have locally. There is always discussion on how we all do things at "our library" and the healthy exchange of ideas and solutions is welcomed. It's an infusion of thoughts and solutions from library folks in this community.

Please consider volunteering to work with your peers at LAB. Currently, the posts of Vice-President and President are open for nominations. Just contact me or any member of the LAB community if you have any questions. We'd be happy to talk.

Thanks everyone,

Barbara Alderman,

President, Library Association of Brevard

General Meeting

Friday, April 3rd

2:30 PM

Guest presentations by

Michael Boonstra

&

Erin Mahaney

On the history and archival collections that capture
Brevard County's rich story.

LAB Needs Officers

LAB needs volunteers for officer positions on the Executive Board for 2015-2016. Before the election at the Spring general meeting candidates for the office of Vice President/President Elect and President must be found.

Please consider volunteering for these important positions! If interested, contact LAB President, Barbara Alderman, at barbara.alderman@ucf.edu.
