

## President's Message

Greetings,

Our last event, the Florida Today tour, was quite successful: the turnout was surprisingly high, and Belinda Kehoe, the Florida Today Librarian, treated us to an enlightening tour.

I'm looking forward to seeing all of you at our banquet on June 17, when the new officers will be installed. All our executive positions have been filled, so I hope you'll come and join me in congratulating our new officers.

I would also like you to join me in expressing our gratitude to all those officers who served this past year; to our theater and banquet committee members; to Suzanne Jones, our newsletter editor; to Kathy Turner, our LAB listserv administrator; and to our members who attended our meetings and continue to support LAB.

All the best,  
Linda S. Khan
