

President's Message

Greetings!

Congratulations to Ms. Philina Richardson, LAB's 2013 Scholarship recipient!

Vice President / President Elect Kellie Sparks is the catalyst that will propel LAB to further accomplishments! All members prepare to blast off 2013-2014! Thank you for finding the value in each other and deciding to connect through LAB. We all make a difference in the library and information fields. Please continue to make positive contributions to our global community.

Serving as LAB President allowed me to witness the preciousness of people who are sincerely involved with increasing information literacy. LAB exists because of your involvement. I thank each of you for your continued support.

See you soon!

Sincerely,

Janice
Janice Murray
President,
Library Association of Brevard
