President's Message

Congratulations to LAB's 2014 Scholarship recipient – Lisa Petrillo!

I want to express my sincere appreciation and gratitude for LAB's 2013-2014 Executive Board. I feel incredibly fortunate to have been a part of such a wonderful, supportive team during a year of unexpected changes and new adventures. It is such an honor to be a part of such an inspiring group of library and information workers during my early library career.

I also want to thank all of our members for continuing to support LAB's mission to provide each of you with exceptional opportunities for professional growth and stewardship. What makes LAB such a great organization is simply – its members.

Sincerely,
Kellie Sparks,
President, Library Association of Brevard
