

## President's Message

During this oh-so-busy time of year, you could easily file this LAB newsletter away in a to-do pile to be promptly forgotten and possibly misplaced. Before you do that, please use this very moment to consider and complete the enclosed forms.

The first form is for 2005 membership renewal and if you think of all that LAB membership implies then you will certainly, without hesitation, mail your renewal form straight away. One of the benefits of LAB membership is our ever-popular Theater Night, next up on the agenda at the Cocoa Village Playhouse for the first time in many years. The second enclosed form is to reserve tickets for the show. As always, it will surely be a delightful evening.

Another benefit of LAB membership is the annual continuing education workshop. This was recently enjoyed by those who attended "Getting it Write" on the Florida Tech campus where Professor Irvin provided pointers on writing style and organization for clear communication.

Please be sure to share your ideas for future LAB events in the space designated on your membership renewal form.

Best wishes to all for a joyous holiday season.

Suzy Jones  
LAB President

## Important News

Candidates for the positions of Vice President/President Elect and Treasurer are currently being sought. If you would like to volunteer to serve in either of these positions, or if you know someone who would make a great candidate, please contact a member of the LAB executive board via the e-mail links on the LAB-LINK or by phone. As all who have done so can tell you, serving on the board is a fun and rewarding experience. It is well worth the small investment of effort required. Former board members who have been inactive for at least one year are eligible!

## Looking Ahead...

The spring general meeting will be at the Cocoa Beach Public Library on the evening of Wednesday, March 30<sup>th</sup>.
