

President's Message

Seasons Greetings!

2006 was a very good year for LAB. Thanks for your efforts! Here are a few ways we can make 2007 an equally good year:

- Renew your membership;
- Encourage your co-workers and friends to join LAB;
- Nominate a paraprofessional for the FLA conference award;
- Nominate a LAB member for the VP/President-Elect position, or submit your name for consideration;
- Volunteer to serve on a committee.

Attending LAB-sponsored events is also a very important contribution you can make to the organization. This year, LAB programming will expand to include a wider variety of cultural events in our area. We hope that you will enjoy these opportunities to meet with your colleagues more often in fun and interesting settings.

I look forward to working closely with you in the new year.

All the best to you and yours,
Linda S. Khan

The Seven Year Itch

This hit Broadway play by George Axelrod features a husband of seven years who, with his wife and child off to the shore for the summer and a job that keeps him in their down-town apartment during the work week, fantasizes about having a fling with a young woman apartment sitting in the unit above. The scenes in his head combine with actual events as his fantasies and his fears merge.

The Surfside Playhouse is at:
300 Ramp Road
Cocoa Beach, FL 32932

Important News

LAB is holding a membership drive once again this year! If you recruit the most new members before February 28, then you will receive a gift certificate and a complimentary ticket to the LAB summer banquet. Tell the new members to write your name in the space provided on the 2007 membership form. The person whose name appears on the most forms will be the lucky winner. Photocopy the enclosed form or refer to the online form found under "Want to join the Library Association of Brevard?" at www.lib.fit.edu/lab.

Please consider nominating a paraprofessional for LAB's FLA conference award. Send Linda Khan (lkhan@fit.edu) a short paragraph on why you think the person deserves this award. The nominee need not be a member of LAB and self-nominations will be accepted.

Looking Ahead...

The spring general meeting will be held on April 5 from 5:00-6:30 PM, and the opening game of the Florida Manatees vs. Daytona Beach will follow at 7:00 PM. Watch for details in a LABlist announcement.
