## LAB Facebook Group

Jack Newcombe, our Vice President/President Elect, coordinated a great continuing education workshop in October covering the Collaborative Web. He used some of what he learned that day to launch a Facebook group for LAB, and all LAB members are invited to join. Complete the free Facebook registration, go to the LAB group, and request to join. Or, e-mail Jack for help getting started.

## Renew and Recruit

It's time once again to renew your membership in LAB. A renewal form is enclosed with this newsletter and always posted at [www.lib.fit.edu/lab](http://www.lib.fit.edu/lab). Tell your colleagues about the fun and informative things we do. LAB membership is still the best deal going, so pass on the good news. Get involved because you are what LAB is all about!

### Henegar Center for the Arts

(Please arrive early to find our

### *Nunsense*

In this Off-Broadway hit musical by Dan Groggin, the Little Sisters of Hoboken are in a bind. Most of the order succumbed to botulism after eating vichyssoise prepared by Sister Julia, Child of God. The surviving "Little Hobos" stage a talent show to raise funds so that the last four of the dearly departed can be buried. The result is a madcap revue packed with hilarious, show-stopping songs, dance numbers, and a riotous audience participation quiz.

The Henegar Center for the Arts is located in the historic Downtown Melbourne district at:

625 E. New Haven Avenue  
Melbourne, FL 32901  
(321) 723-8698

**A reservation form is  
enclosed!**

## Notable News

Foremost in the news is that candidates for the positions of Vice President /President Elect and Treasurer are needed. If you would like to volunteer to serve in one of these positions, or if you know someone who would make a great candidate, please contact a member of the LAB executive board via the e-mail links on the LAB Web site or by phone. Those who have served on the board in the past will tell you that this is a fun and rewarding experience well worth the small investment of time and effort. .
