### Notes on Spring LAB meeting 2017

On Friday, May 5<sup>th</sup>, 2017 LAB members attended the spring meeting held at the Florida Historical Society Library on Brevard Ave. in Cocoa Village. The meeting started at 2 p.m.

Attending were 9 members of LAB. The guest speaker and host was Ben DiBiase. He is the archivist there at the Historical Society. Ben has worked on projects such as the Florida author Majorie Kinnan Rawlings and her research she did on the book The Yearling. He gave a history of the place and a short tour.

A short meeting was held afterward, to determine the winner of the monetary award to the FLA conference in May. The only applicant was Fran Reid, head librarian at Sat. Beach Lib. He wrote a short essay on his goals, and submitted the request to the LAB executive Board. They decided to award him the \$100 amount. This was to use towards the FLA conference. He will give a report about FLA at the annual banquet this summer.

Refreshments were served afterwards. The meetings ended around 4 p.m. Members are to watch their email about news on the summer banquet and any other LAB information.

Respectfully submitted, with notes from attendee LAB member Mervin Hall,

Lynn Bennett, Secretary LAB

Florida Historical Society Library
