

Minutes from Continuing Education Workshop  
Keiser University  
Melbourne, FL  
Wednesday, November 4, 2009

---

Thanks to Keiser University's culinary department for preparing and providing a phenomenal array of food and drink for LAB's Continuing Education Workshop.

Unfortunately, due to scheduling complications, the trainer for the meeting, Suzi Holler, was unable to attend the workshop.

Instead, Richard Shea provided the attendees with an excellent tour of the campus and the library.
