

Minutes from Continuing Education Workshop  
Florida Institute of Technology  
Evans Library  
Melbourne, FL  
Wednesday, October 28<sup>th</sup>, 2010

---

The workshop began at 7:10 pm.

There were 12 attendees.

LAB president, Richard Shea, introduced the first presenter, Ms. Kellie Gerson, a Librarian at Keiser University.

Ms. Gerson gave a wonderful presentation on the topic of augmented reality. She provided a brief overview of augmented reality, incorporated examples of augmented reality in everyday life, and discussed how it can be used within the context of a library.

Some discussion followed Ms. Gerson's presentation.

At 7:55 pm, Ms. Wendy Breeden, of the Lake County Library System and Past President of the Florida Library Association (FLA), gave a fantastic presentation on FLA. She discussed the benefits of membership in the association, the annual conference and challenges facing libraries today.

There was some discussion following Ms. Breeden's presentation.

The workshop concluded at 8:15 pm.
