**Into the Woods** Book by James Lapine; Music and Lyrics by Stephen Sondheim through special arrangements with Music Theatre International (MTI)

The Brothers Grimm hit the stage with an epic fairytale about wishes, family and the choices we make. Into the Woods is a modern twist on the beloved Brothers Grimm fairy tales in a musical format that follows the classic tales of Cinderella, Little Red Riding Hood, Jack and the Beanstalk, and Rapunzel-all tied together by an original story involving a baker and his wife, their wish to begin a family and their interaction with the witch who has put a curse on them.
