1) LAB Executive Board. Happy to report all seats are filled for 2025-2026! Thank you to all for volunteering to serve!

### 2) Membership report -

- a) DA and JC scheduling a **phone** meeting to transfer membership duties. **Jocelyn has created membership folders on Shared Drive.**
- b) EFSC Institutional membership - Waiting for **two** membership forms to complete. **There are 11 institutional members with institutional membership.**
- c) FI Tech Institutional membership - JC and DA working with Evans Library Admin Assistant **to compile 11 institutional member information .**
- d) DA to work with JC to send the remaining second renewal email. (**Later** note: **"undeliverable" emails land in the Spam folder in Board email**) The deadline to sign up is at the end of August. Anyone who doesn't renew will be removed from the spreadsheet roster, email distribution list, and directory. Non-renewal names and emails will be moved to a separate **worksheet. There are roughly 15 people left to contact about renewal, down from 20 at the previous meeting. Institutional memberships have helped reduce that number.**
- e) Updating Membership Directory - DA and JC will work on updating the document. **May need to use physical addresses to reach people because some email addresses may be outdated.**

SH asked if there have been any new Brevard County Public Library members after all her marketing efforts with DA. DA said, yes, thus far one new Public Library member has joined, but that it'll likely be a "baby steps" process.

**3) Treasurer's report** – HB (July 9, 2025 balance \$712.11), DA reported for HB 08.19.2025. Banquet costs (\$156.26), marketing and printing costs (\$202.13), membership renewals and donations received at Banquet (\$20.00), institutional memberships and online payments have not been received from NEFLIN online account. 09.18.2025 **Balance \$373.72.**

4) Board review of By-Laws (on LAB webpage/Documents). Review HB's suggested edits.

There was a discussion about HTB's suggested edits under Article III: Membership Section 1—do prospective non-library members need to be vetted by the board? DA suggested broadening the language to include "friends of libraries." It was approved by the Board that prospective non-library members will not need to be approved by the board. DA will work on the final edits to bylaws and distribute to the Board for a final vote.

## **Agenda Addendum**

### **Report- Brevard Public Library Marketing Initiative**

Email: To LAB Executive Board by DA. Send July 22, 2025

Hello Board Members,

With Susan's guidance and Shawn's help, Susan and I delivered 100 goodie bags with membership forms, LAB bookmarks, banquet invitations, candy, and granola bars. Our pop-in visits on Thursday, July 17, were well received by Directors, Librarians, and Library staff. Susan and I took gift baskets to and talked-up LAB at seven libraries, and individually we stopped at three more sites. Collectively, ten of the seventeen Brevard Public Libraries have received LAB marketing information (see the list below).

On Thursday, Susan and I also met with Wendi Bost, BCL Library Services Director, at Cocoa Central Library. In that meeting, LAB seemed to be well received and our conversation was positive.

Public Libraries visited: Melbourne, Eau Gallie, Suntree, Cocoa, Cape Canaveral, Cocoa Beach, Satellite Beach, DeGroodt, Palm Bay, West Melbourne

Public Libraries not visited: Martin Luther King Jr., Melbourne Beach, Merritt Island, South Mainland, Mims, Port St. John, Titusville

It was found that generating and compiling the marketing materials for this outreach was more expensive and time consuming than expected. The cost to print the materials, create bookmarks, and stuff the bags with goodies totaled \$202,23 (\$2.00 ea. bag).. in order to achieve an important 2025/26 goal, LAB's current bank balance allowed for this expense. Holly, I will be sending you copies of the receipts so Susan and I may be reimbursed.

Hopefully, this marketing push will generate a few new members and they will become the base to grow the future membership from the Brevard Public Libraries.

At the next Board meeting, the Board will discuss whether to continue these efforts to the other branches.
